Animals 2

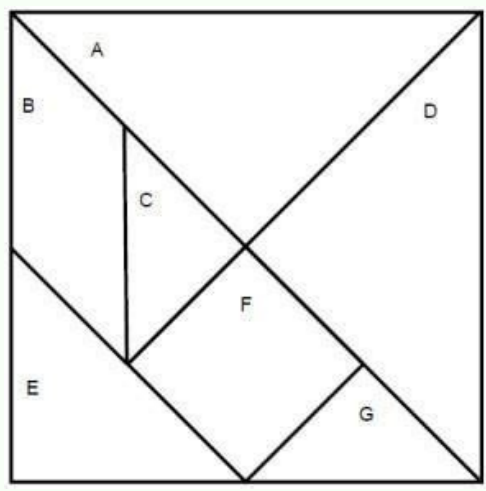

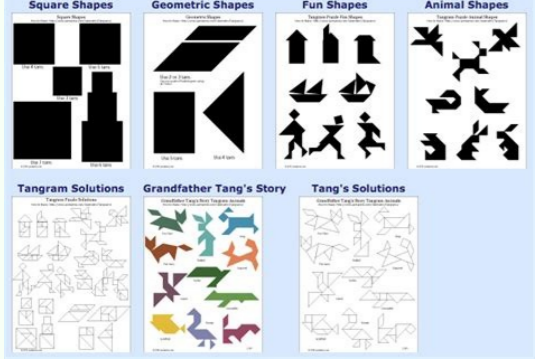

Tangram.

Copy and then cut out the square on the left. Try to do it exactly the same size. The square on the right has guide lines to help you. Cut along all the lines.

Using the 7 pieces try to make all the following shapes. If you have cut them out in the correct size they will fit exactly into each shape. Draw the answers.

15. All these shapes have one thing in common about their areas. What is it?
 16. How many of these shapes are made of 7 pieces? You can make up numbers and letters of the alphabet. Draw them and make them fit.
 Give them to friends to see if they can solve them.
